

Enrich the quality of life and economic vitality of the San Gabriel Valley

# EXCLUSIVE MEMBERS-ONLY EVENT: SPEAKERS LUNCHEON SERIES

## “THE SAN GABRIEL VALLEY’S CONTRIBUTIONS TOWARD UNDERSTANDING THE UNIVERSE”

Thursday, March 17, 2016 | 11:30 a.m. to 1:30 p.m.  
SGV Corporate Campus, Conference Room 2  
4910 Rivergrade Road, Irwindale, CA 91706

Join our featured speaker as he discusses the role of the San Gabriel Valley as the center for astronomy and astrophysics for the last 110 years, including some of the unique contributions this area has made toward our understanding of the Universe and the next generation telescope being currently designed and built in Pasadena. Dr. Mulchaey will also discuss how educational institutions in the San Gabriel Valley can benefit from on-going efforts at Carnegie Observatories.

#### MARLENE CARNEY

The Importance of Civic Engagement

Thursday, May 19, 2016

President/CEO, Irwindale Chamber of Commerce

#### DR. JOHN MULCHAEY Director

Observatories of the Carnegie  
Institution for Science

As Director of one of Pasadena’s oldest establishments, Dr. Mulchaey oversees Carnegie’s main campus in Pasadena as well as Carnegie’s Las Campanas facility in Chile. His research focuses on a wide range of scientific problems including dark matter and blackholes. In addition to his research efforts, Mulchaey is actively involved in public outreach and educational activities in the Pasadena area.
